We are pleased to announce a new call for papers for the “16th international conference on pensions, insurance and savings”. The aim of the conference is to provide researchers a friendly environment to present and discuss their latest research. Our main focus this year is on well-being, innovative savings, plan design and social inclusion.

Topics of interest include, but are not limited to:

1. Well-being
2. Innovative savings
3. Social inclusion
4. Pensions technology, communication and plan design
5. Public policy with respect to pensions and health care
6. Social, political, and economic implications of population aging
7. Risk sharing and distribution among generations
8. Macroeconomic aspects of ageing and retirement in developed and developing countries
9. Financial solutions for the Payout phase.

When and Where:

Date 23-24th, April 2018

Location Nova University of Lisbon, NOVA IMS, Campus de Campolide - Lisbon, Portugal.

Submissions:

Researchers interested in presenting a paper are requested to submit a complete version to international.pension.workshop@gmail.com with “Submission” in the subject line by February 26th, 2018 and researchers interested in discussing a paper are strongly encouraged to inform us by the end of March at the latest. Participants are encouraged to stay for the full two days of the conference.
