

**CALL FOR PAPERS 17th International Conference on Pensions, Insurance and Savings -
Université Paris-Dauphine PSL★ Research University
27th - 28th May, 2019 - Paris.**

We are pleased to announce the call for papers for the “17th international conference on pensions, insurance and savings”. The aim of the conference is to provide researchers a friendly environment to present and discuss their latest research. Our focus this year is on decumulation phase of pension and savings, heterogeneity behaviors and social inclusion.

Topics of interest include, but are not limited to:

1. Decumulation phase of pension and savings
2. Heterogeneity and re-design pension schemes and retirement income contracts
3. Social Inclusion
4. Innovative savings
5. Pensions technology and pension communication
6. Public policy with respect to pensions and health care
7. Risk sharing and distribution among generations
8. Macroeconomic aspects of ageing and retirement in developed and developing countries
9. Financial solutions for the Payout phase.

The programme will include a **SIGMA Workshop** to highlight research on Health and Ageing issues using national data sources associated with SIGMA (Societal Impact and Global Management Alliance) institutions in Asia and Europe. The topic for 2019 will be ‘Saving, Risks and Economic Behaviour in Ageing Populations’.

When and Where:

Date **27th, 28th May, 2019**

Location Université Paris Dauphine, Place du Maréchal de Lattre de Tassigny 75016 PARIS - FRANCE

Submissions:

Researchers interested in presenting a paper are requested to submit a complete version to international.pension.workshop@gmail.com with “Submission” in the subject line by February 26th, 2019 and researchers interested in discussing a paper are strongly encouraged to inform us by the end of March at the latest. Participants are encouraged to stay for the full two days of the conference.
