

CALL FOR PAPERS 18th International Conference on Pensions, Insurance and Savings
Université Paris-Dauphine PSL★ Research University
&
International University of Rabat

We are pleased to announce the call for papers for the “18th international conference on pensions, insurance and savings”. After a 2-year break due to the COVID-19 pandemic, the conference will resume face to face under strict sanitary conditions. The aim of the conference is to provide researchers a friendly environment to present and discuss their latest research.

Topics of interest include:

1. The extension of Social Security and Pension Redesign
2. Population Ageing and Financial Market Issues
3. Integrating the accumulation and decumulation phases of assets Housing wealth, Equity Release Schemes and the financing of retirement income, health and long-term care
4. The interest rate environment and the future of pensions and retirement savings.
5. Effects of Financial Inclusion on the Distribution of Lifetime Income
6. Social security schemes reforms in the light of the COVID19 pandemic
7. Big Data analytics and social security
8. Modelling and managing longevity risks

The Conference holds a **SIGMA ALLIANCE Workshop** to showcase research on aging issues (societal impact and global management alliance)

There would also be a special session dedicated to “**Young and early career researchers**”. They are highly encouraged to submit their papers (even preliminary research).

When and Where:

Date: **9 and 10 June, 2022**

Location: Face-to-face event at The International University of Rabat (IUR), Rabat , Morocco

Submissions:

Researchers interested in presenting a paper are requested to submit a complete version to international.pension.workshop@gmail.com with “Submission” in the subject line by **1st May, 2022**. Participants are encouraged to stay for the full two days of the conference.
