

CALL FOR PAPERS 18th International Conference on Pensions, Insurance and Savings
Université Paris-Dauphine PSL★ Research University
November 26th & 27th, 2020 - Paris.

We are pleased to announce the call for papers for the “18th international conference on pensions, insurance and savings”. The aim of the conference is to provide researchers a friendly environment to present and discuss their latest research.

Topics of interest include, but are not limited to:

1. Ageing and digital innovation
2. Social inclusion
3. Decumulation phase of pension and savings
4. Heterogeneity and re-design pension schemes and retirement income contracts
5. Innovative savings
6. Pensions technology and pension communication
7. Public policy with respect to pensions and health care
8. Risk sharing and distribution among generations
9. Macroeconomic aspects of ageing and retirement in developed and developing countries
10. Financial solutions for the Payout phase.

The conference holds a **SIGMA ALLIANCE Workshop** to highlight research on Ageing issues (Societal Impact and Global Management Alliance).

There would also be a special session dedicated to “**Young and early career researchers**”. They are highly encouraged to submit their papers (even preliminary research).
