## 21<sup>th</sup> International Conference on Pensions, Insurance, and Savings

---

### Demographic Change, Digitalisation, Sustainable Development and Finance

We are delighted to open submissions for **the 21th International Conference on Pensions, Insurance, and Savings**. This conference aims to gather researchers from various fields to discuss the multifaceted challenges and innovations related to Demographic changes, Ageing and Sustainable Development and Finance. Please visit [conference website](#) for details and updates.

### **Date and Location**

**Conference dates: 29<sup>th</sup> – 30<sup>th</sup> May, 2025**

**Location:** Lisbon NOVA IMS and Academy of Sciences (Lisbon, Portugal)

The conference will take place in an in-person format.

### **Themes and Topics**

Under the theme of Demographic changes, Ageing and Sustainable Development and Finance, the 21th International Conference will encompass a broad spectrum of topics in the fields such as economics, finance, demography, management, IT, sociology, public policy, including, but not limited to:

- **Environmental Sustainability in Ageing Populations**
- **Health and Healthcare in an Ageing World**
- **Financing Long-Term Care (LTC)**
- **Artificial Intelligence (AI) in Social Protection Systems**
- **Digitalization and the Labor Market in an Ageing Society**
- **Brain Capital and the Future of Healthy Aging**
- **FinTech Innovations in Pensions**
- **Financing Sustainable Development**
- **Urban Planning and Age-Friendly Cities**

**Special Session NTA:** There would be a special session dedicated to understanding of how population growth and changing age structure influence macroeconomic performance. We invite NTA teams and researchers applying NTA (National Transfer Account) methodology to submit to this special session.

## **Important Dates**
